Australian Club Planning Plane Trip Down Under

A chartered plane trip "down under" for members of the Australian Club of Southern California and other Australians who have settled here, is the goal toward which members are at present working.

The dream trip seems about to come true as it has been learned that a chartered plane is to return here in July. With the return trip certain, members may now work for the trip from L.A.

Rules for the reduced fare charter trip call for prepayment of fees 60 days ahead of flight. Not more than 20 children may be taken among 81 passengers allowed. It is the first time children have been planned for in the trip, though adults have planned unsuccessfully, many times for such a flight. Cooperation at the other end for the return trip, has cancelled plans from this end. Members of the club are hoping this time to achieve the long planned visit with their families and friends.

Mrs. R. E. Vassie, publicity chairman, made the flight last May and contacted families for others in the local club. There were 37 left on the waiting list at that time, for the "dream" trip.

The club was organized over five years ago and members meet the first Thursday of each month, at the Gardena Recreation center. Extra outings are planned at these meetings, sometimes a westerly roast on the beach, more often, trips to interesting California spots. Attendance ranges from 30-50.

Membership is open to any former Australian. Election of officers will take place at tonight's meeting.

Chiropractors To Choose Miss Perfect Posture

Because of the interest created through the efforts of Dr. R. C. Sanderson, D. C., in the Miss Correct Posture Contest, the Southwest Los Angeles Inglewood chapter of California Chiropractors Assn. chapter have combined with the Bay Area group in order to broaden the scope of the contest.

For that reason the date and place of holding the finals have been changed to take care of the expanded event which now under these joint auspices, will present a greater number of aspirants for the title.

The new arrangements call for judging the young ladies at 2 p.m., Saturday afternoon, April 12, at Lococo's Restaurant in Manhattan Beach.

The winner will compete in the Southern California finals in Pasadena on April 24. Later eliminations will be conducted for the state in Fresno, and the national contest, in Florida.

This annual event is sponsored by the Chiropractors of the country in the interest of good posture and good health.

Contestants must be between 18 and 25, and single. Application blanks for the Bay Area are available at Sanderson Chiropractic Center, 2206 Redondo Beach Blvd., FRontier 46549. A \$25 bond, appropriate trophies, and perhaps national fame, await the lucky winner to be selected by a panel of important people acting as judges.

NEW ELEGANCE in sportswear! A coin dotted shirt and shorts with lined-to-match jacket of white terry. One of the many Zolot of California styles fashioned to make you glamorous at sea or pool. Available locally.

In addition to those who will tell of their hobbies, there will be tables where members will exhibit their creative arts and hobbies. Those wishing to place exhibits should have them at the YWCA by 5 p.m., Mrs. Grow states.

Preceding the program, members, their families, and friends, will gather for a pot-luck dinner at 6 p.m. Members of the cooking section with Mrs. W. Madison Taylor as chairman, will prepare the main dish. Mrs. Taylor will be assisted by Mrs. Leo Huffman and Mrs. John V. Avakian.
